

Landscaping Company Dubai & Plant Nursery in Dubai – Green Glades

Looking for a trusted landscaping company Dubai that offers full-service solutions along with a comprehensive plant nursery in Dubai? Green Glades, based in Warsan, delivers both professional landscape services and a vast selection of high-quality plants. Whether you're planning garden design or sourcing plants, Green Glades combines creativity, sustainability, and unmatched convenience.

Holistic Landscaping Solutions

Green Glades provides end-to-end services—from hard and soft landscaping to irrigation systems, lighting, water features, and maintenance

Premium Plant Nursery Offering

Their Warsan garden centre stocks an extensive range of greenery, including fruit trees, palms, succulents, indoor and ornamental plants—perfect for any setting.

One-Stop Garden Centre Advantage

A unique strength is the in-house garden centre, ensuring streamlined supply, competitive pricing, and convenient access to plants, materials, and accessories.

Green Glades is your ideal partner as both a landscaping company Dubai and plant nursery in Dubai. With a unique combination of expert landscaping services, a fully stocked garden centre, sustainability-focused designs, and responsive client engagement, they offer a seamless solution from initial ideas to long-term landscape maintenance. Located in Warsan, they deliver reliability and creativity in one convenient package.
