Looking for private English lessons Dubai that truly make a difference? At First Class Learning (FCL), our English programme delivers bespoke, child-focused language learning. Designed to go beyond standard tutoring, our spiral curriculum builds reading, writing, comprehension, phonics, spelling, grammar, and handwriting through engaging, customized lessons.

Personalized Learning Journey

We begin with a detailed assessment to identify your child's strengths and areas for growth—then craft a tailored learning path that's built just for them

Comprehensive Skill Development

Our structured curriculum promotes mastery in spelling, vocabulary, grammar, punctuation, text structure, and writing skills—all in a coherent, progressive format.

Strong Foundations for Young Learners

Especially for early years, our focus on phonics, handwriting, and fine motor skills supports confident reading and writing foundations.

Enhanced Reading Comprehension

Students explore diverse texts and genres to develop deep understanding, text analysis, inference-making, and persuasive writing skills.

When you choose private English lessons Dubai at First Class Learning, you're choosing personalized, engaging, and academically rigorous sessions that empower your child's long-term success. With expert tutors, targeted home practice, and a curriculum aligned to UK academic benchmarks, FCL ensures your child builds confidence, fluency, and a love for learning that lasts.
